DATA PROTECTION POLICY | 25 MAY 2018  
VERSION: ONE

## 1. Introduction

This Policy sets out the obligations of the Royal Air Force Sports Federation (“the Charity”) regarding data protection and the rights of association members and business contacts (“data subjects”) in respect of their personal data under the General Data Protection Regulation (“the Regulation”).

The Regulation defines “personal data” as any information relating to an identified or identifiable natural person (a data subject); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural, or social identity of that natural person.

This Policy sets out the procedures that are to be followed when dealing with personal data. The procedures and principles set out herein must be followed at all times by the Charity, its employees, agents, contractors, or other parties working on behalf of the Charity.

The Charity is committed not only to the letter of the law, but also to the spirit of the law and places high importance on the correct, lawful, and fair handling of all personal data, respecting the legal rights, privacy, and trust of all individuals with whom it deals.

## 2. The Data Protection Principles

This Policy aims to ensure compliance with the Regulation. The Regulation sets out the following principles with which any party handling personal data must comply. All personal data must be:

- a) processed lawfully, fairly, and in a transparent manner in relation to the data subject;
- b) collected for specified, explicit, and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes;
- c) adequate, relevant and limited to what is necessary in relation to the purposes for which it is processed;
- d) accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that is inaccurate, having regard to the purposes for which they are processed, is erased or rectified without delay;
- e) kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data is processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the Regulation in order to safeguard the rights and freedoms of the data subject;

- f) processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

### 3. **Lawful, Fair, and Transparent Data Processing**

The Regulation seeks to ensure that personal data is processed lawfully, fairly, and transparently, without adversely affecting the rights of the data subject. The Regulation states that processing of personal data shall be lawful if at least one of the following applies:

- a) the data subject has given consent to the processing of his or her personal data for one or more specific purposes;
- b) processing is necessary for the performance of a contract to which the data subject is a party or in order to take steps at the request of the data subject prior to entering into a contract;
- c) processing is necessary for compliance with a legal obligation to which the controller is subject;
- d) processing is necessary to protect the vital interests of the data subject or of another natural person;
- e) processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller;
- f) processing is necessary for the purposes of the legitimate interests pursued by the controller or by a third party, except where such interests are overridden by the fundamental rights and freedoms of the data subject which require protection of personal data, in particular where the data subject is a child.

### 4. **Processed for Specified, Explicit and Legitimate Purposes**

- 4.1 The Charity collects and processes the personal data set out in Part 21 of this Policy along with the RAF Sports Associations; these parties are considered as Joint Data Controllers. The processed data may include personal data received directly from data subjects (for example, contact details used when a data subject communicates with us) and data received from a Joint Data Controller (for example, via association treasurers).
- 4.2 The Charity only processes personal data for the specific purposes set out in Part 20 of this Policy (or for other purposes expressly permitted by the Regulation). The purposes for which we process personal data will be informed to data subjects at the time that their personal data is collected, where it is collected directly from them, or as soon as possible (not more than one calendar month) after collection where it is obtained from a third party.

5. **Adequate, Relevant and Limited Data Processing**

The Charity shall ensure that all personal data collected and processed is kept accurate and up-to-date. The accuracy of data shall be checked when it is collected and at regular intervals thereafter. Where any inaccurate or out-of-date data is found, all reasonable steps will be taken without delay to amend or erase that data, as appropriate.

7. **Timely Processing**

8. **Secure Processing**

The Charity shall ensure that all personal data collected and processed is kept secure and protected against unauthorised or unlawful processing and against accidental loss, destruction or damage. ### 13. Data Subject Access

13.1 A data subject may make a subject access request (“SAR”) at any time to find out more about the personal data which the Charity holds about them. The Charity is normally required to respond to SARs within one

month of receipt (this can be extended by up to two months in the case of complex and/or numerous requests, and in such cases the data subject shall be informed of the need for the extension).

13.2 All subject access requests received must be forwarded to Mr J Morley, the Charity's data protection representative. Tel 01296 657132 or [info@rafsportsfederation.uk](mailto:info@rafsportsfederation.uk).

13.3 The Charity does not charge a fee for the handling of normal SARs. The Charity reserves the right to charge reasonable fees for additional copies of information that has already been supplied to a data subject, and for requests that are manifestly unfounded or excessive, particularly where such requests are repetitive.

#### 14. **Rectification of Personal Data**

14.1 If a data subject informs the Charity that personal data held by the Charity is inaccurate or incomplete, requesting that it be rectified, the personal data in question shall be rectified, and the data subject informed of that rectification, within one month of receipt the data subject's notice (this can be extended by up to two months in the case of complex requests, and in such cases the data subject shall be informed of the need for the extension).

14.2 In the event that any affected personal data has been disclosed to third parties, those parties shall be informed of any rectification of that personal data.

#### 15. **Erasure of Personal Data**

15.1 Data subjects may request that the Charity erases the personal data it holds about them in the following circumstances:

- a) It is no longer necessary for the Charity to hold that personal data with respect to the purpose for which it was originally collected or processed;
- b) The data subject wishes to withdraw their consent to the Charity holding and processing their personal data;
- c) The data subject objects to the Charity holding and processing their personal data (and there is no overriding legitimate interest to allow the Charity to continue doing so) (see Part 17 of this Policy for further details concerning data subjects' rights to object);
- d) The personal data has been processed unlawfully;
- e) The personal data needs to be erased in order for the Charity to comply with a particular legal obligation.

15.2 Unless the Charity has reasonable grounds to refuse to erase personal data, all requests for erasure shall be complied with, and the data subject informed of the erasure, within one month of receipt of the data subject's request (this can be extended by up to two months in the case of complex requests, and in such cases the data subject shall be informed of the need for the extension).

15.3 In the event that any personal data that is to be erased in response to

a data subject request has been disclosed to third parties, those parties shall be informed of the erasure (unless it is impossible or would require disproportionate effort to do so).

## 16. **Restriction of Personal Data Processing**

16.1 Data subjects may request that the Charity ceases processing the personal data it holds about them. If a data subject makes such a request, the Charity shall retain only the amount of personal data pertaining to that data subject that is necessary to ensure that no further processing of their personal data takes place.

16.2 In the event that any affected personal data has been disclosed to third parties, those parties shall be informed of the applicable restrictions on processing it (unless it is impossible or would require disproportionate effort to do so).

## 17. **Objections to Personal Data Processing**

17.1 Data subjects have the right to object to the Charity processing their personal data based on legitimate interests (including profiling), direct marketing (including profiling).

17.2 Where a data subject objects to the Charity processing their personal data based on its legitimate interests, the Charity shall cease such processing forthwith, unless it can be demonstrated that the Charity's legitimate grounds for such processing override the data subject's interests, rights and freedoms; or the processing is necessary for the conduct of legal claims.

17.3 Where a data subject objects to the Charity processing their personal data for direct marketing purposes, the Charity shall cease such processing forthwith.

17.4 Where a data subject objects to the Charity processing their personal data for scientific and/or historical research and statistics purposes, the data subject must, under the Regulation, 'demonstrate grounds relating to his or her particular situation'. The Charity is not required to comply if the research is necessary for the performance of a task carried out for reasons of public interest.

## 18. **Automated Decision-Making**

18.1 The Charity currently has no processes or a foreseeable need to process data through automated decision-making. Authority to divert from this position is to be sought, in the first instance, from the Data Protection Representative who in turn is to seek authority from the Trustees. A change in position will require the data subject's authority.

18.2 In the event that the Charity uses personal data for the purposes of automated decision-making and those decisions have a legal (or similarly significant effect) on data subjects, data subjects have the right to challenge to such decisions under the Regulation, requesting human intervention, expressing their own point of view, and obtaining an

explanation of the decision from the Charity.

18.3 The right described in Part 19.1 does not apply in the following circumstances:
